

JOB DESCRIPTION

Job Title:	Social Protection & Livelihood Coordinator(2)
Reports to:	Economic Strengthening Manager
Program/Project:	USAID/ICYD Activity
Location:	Masaka, Mubende - Uganda

Background

The USAID Integrated Child and Youth Development Activity (USAID ICYD Activity) aims to improve learning outcomes, advance HIV epidemic control in Uganda, and ensure that children and youth have the opportunity to lead resilient, healthy and productive lives. The USAID ICYD Activity will deliver critical HIV/GBV/violence prevention and response services to children and youth and their families in communities, clinics, and schools. Within USAID's Journey to Self-Reliance Framework, USAID ICYD Activity will build the operational and technical capacity of four Ugandan National Partner organizations to pass NUPAS and become direct recipients of USG funding within two years while strengthening government capacity to deliver core services to children within an integrated referral network and case management approach that operationalizes Uganda's new child policy. Local partners will deliver OVC services across their zone of operation. WEI/Bantwana is a leader in OVC programming and organizational capacity development in high HIV prevalence countries in southern and eastern Africa.

Applicants must be based and have a valid work permit to work in Uganda. *Qualified applicants should submit their CV and supporting materials to BantwanaICYD@ug.worlded.org with the position you are applying for in the subject line.*

Job Summary

Social Protection & Livelihood services under ICYD are made up of a strategic mix of economic strengthening, parenting (Sinovuyo model), early childhood development and HIV/GBV prevention services (Journeys Plus). Economic strengthening will anchor the social protection package which will be layered with case management and a strategic mix of parenting, Journeys prevention, and early childhood development informed by care plans for ICYD enrolled families. The Zonal Social Protection Coordinator will coordinate delivery of TA to National Partners to deliver integrated social protection services to families enrolled in OVC comprehensive case management as well delivery of standalone Prevention services at community level. The ES/Social Protection Coordinator The Zonal ES/SP Coordinator will take direction from the National Team and work in close collaboration with the Zonal Institutional Development, Case Management, Operations, M&E and Education teams to ensure a coordinated TA service delivery and systems strengthening approach, supporting NPs to strengthen and expand partnerships with other district and community, FBO and private sector stakeholders to expand access to ES/SP services.
